Five reasons why koi is the perfect fit for Groups

Looking for a smart, professional choice for a medical, dental, vet or spa group? Outfitting a group in koi makes a lot of sense. Here are a few reasons why:

- 1. **Style:** koi's fashion-forward solids can provide any group with a contemporary, yet professional look. Teams will love koi's fresh and innovative approach to traditional scrubs.
- 2. **Selection:** koi offers a variety of reorderable styles that you can mix and match—in the color groupings you need—to achieve the perfect group look.
- 3. **Fit:** What makes koi scrubs feel and look so good when you wear them? The secret is in the fit. When garments are fitted properly, they're more comfortable and they look better on your body. Try on a koi garment and you'll see what we mean.
- 4. **Quality:** The better a garment is made, the longer you can enjoy it. That's why koi uses only the highest quality fabrics and materials in the construction of its clothing. From the detailing to the workmanship, koi quality is sewn into each garment.
- 5. **Sizing:** koi offers a full range of sizes from petites to tall to plus sizes to accommodate any group.
